MACK HORNE

CRITICAL INFRASTRUCTURE
ELECTRICIAN

DISCIPLINED. COACHABLE. DRIVEN. BUILT FOR MORE.

I'm looking for an apprenticeship with a company building the future – semiconductor plants, mission-critical facilities, and industrial electrical projects that actually matter.

- ◆ Disciplined
- ◆ Reliable
- ◆ Coachable
- ◆ Driven
- ◆ Built for More

MY MISSION

I chose the electrical trade because I want a career built on real skill, not just a paycheck. My plan is to become a Journeyman and eventually a Master Electrician working on critical infrastructure, while serving in the Arizona National Guard.

CURRENT DEVELOPMENT

TECHNICAL FOUNDATION

Pathway A

Trade School (EVIT or Equivalent)

OR

Pathway B

Employer-Sponsored Registered Apprenticeship

The destination is fixed. The pathway remains flexible based on the right opportunity.

Data Centers
Government Facilities
Utilities & Power Systems
Mission Critical Projects

WHY YOUR COMPANY?

I'm looking for a company that values long-term development, high standards and continuous learning. My goal is to become the apprentice your team can trust today and the leader your company can rely on tomorrow.

CAREER BLUEPRINT

✓ High School Diploma	Keystone High School – Feb 2024
✓ Community College	43 credits completed – 3.44 GPA
✓ Trade School / Company-Sponsored Training	In Progress · 2026–Onward
🕒 Registered Apprenticeship	Planned · 2026–2031
🕒 Arizona National Guard	Planned · 2027
🎯 Journeyman Electrician	Goal · 2032
🎯 Master Electrician	Goal · 2036
🎯 Government Electrical Contractor	Long-Term Vision

WHAT MAKES ME DIFFERENT

DISCIPLINE

Brazilian Jiu-Jitsu Blue Belt & Assistant Kids Coach. Teaches focus, humility and perseverance.

WORK ETHIC

Work part-time while continuing my education and training. I understand the value of hard work.

LEADERSHIP

Coaching younger students develops patience, communication, and the ability to lead by example.

LONG-TERM THINKING

I'm building a career, not just looking for a job.

ADAPTABILITY

Open to multiple training pathways and environments to achieve excellence.
